

# **Enfield Recreation Department**

## **COVID-19 Program Policies**

- **Everyone attending Recreation programs will be required to follow all current federal, state and local COVID-19 guidelines, including all current masking mandates and social distancing recommendations.**
- Participants must complete a self-screening before arriving at our programs. If the participant or anyone in their household does not feel well for any reason, they should not attend the program.
- The Recreation Office must be notified if a participant tests positive for COVID-19 while attending our programs or in the 14 days immediately following their last day of participation.
- Participants should not arrive more than 5-10 minutes before to the start of our programs.
- Upon arrival, a visual health screening will be conducted by program staff.
- Contactless sign in and out will be held with program staff whenever possible.
- Hand sanitizer will be available during our programs for use as needed.
- Participants must follow all staff directions to keep socially distanced throughout our programs. Person-to-person contact will be kept minimal, however, this will vary based on the nature of each program.
- Program equipment and materials will be sanitized by staff regularly.
- We reserve the right to limit spectators for programs to ensure proper social distancing.
- An email will be sent to all registered program participants 24-48 hours prior to the start of the program with details, reminders and updates.

**Policies are subject to change based on new federal, state and local regulations.**

**Any changes that affect our programs will be communicated via email.**
